

Porchester Mark No 27 Installation

With thanks to W Bro Adie Lovell for this wonderful report.

This evening, we were treated to an exceptional ceremony of the installation of Bro Nigel Noyce into the chair of Adoniram.

The ceremony was conducted by W Bro Kevin Dodd on the sad absence of W Bro Pat Leonard Master of No 27 who passed to the GLA last year.

We were in the presence of the RW DPGM James Etienne Payen and his entourage of Active Provincial Officers.

The addresses were given in a sublime way by Prov GSW, Prov GJW and The DPGM. With the address to the Master being in the capable hands of the installing Master W Bro Kevin Dodd.

The ceremony saw the investiture of predominantly MMM in the succession. So the future holds well for this well supported Lodge. With the promise of 3 advances for the forthcoming year, the Lodge has its work cut out.

We the visitors, thank you for your welcome and hospitality. Until the next time.
