Happy Birthday W.Bro. Harry Waddingham, P.G.S.D. 104 years young and still going strong.

On the week of Trafalgar Day it seems very fitting that we should receive news of the Birthday celebration of an exceptional Brother.

W.Bro. Harry Waddingham, P.G.S.D., celebrated his 104th birthday on Friday last. Born in October 1916, Harry joined the Royal Navy shortly after his 16th birthday. He relates many stories of his naval service and life on board as a Seaman Gunner. After qualifying as a P.E. instructor he would put the ratings through their paces whilst in port, all for an extra one shilling and thrupence a week.

On completion of his service in the Royal Navy, Harry embarked on a new career as head of P.E. and gymnastics at the local Grammar School. Many of his 'Old Boys' attended his 100th birthday and still keep in touch. The standards of discipline and presentation expected by the Royal Navy have remained with him through his teaching career and as a Mason. He is still active in body, alert in mind and is known by the local Rotary Club and other groups as an entertaining after lunch speaker.

Harry is an honorary member of Bexhill Mark Lodge No.1058 and Bexhill Lodge of RAM. He will be known by many by his contribution to the meetings at the keyboards or the organ.

For many years, Harry and Collette have joined the Sussex contingent heading off to the Mark Benevolent Fund Festivals around the Country. He always has a selection of jokes for the amusement of all on the coach.

As possibly the oldest Mark Man in the Order, his birthday could not pass without a visit from Prov.G.M. Roger Richardson and Jackie, which he regarded as the perfect opportunity to get dre ssed in number ones for a photo call. When asked what is the secret of his longevity, he would respond, "keeping fit and active, a strict routine, lunch at 12 noon, nothing to eat after 6pm, my daily ration of Navy rum, my caring wife Collette and the love of my Mark Masonry.

Thanks to the Province of Sussex for sending this in and to Harry, Happy Birthday from all of us at Mark Masons' Hall. Mark Well!

The photo of Harry below was taken in December 1939 (aged 23yrs) and was published on the front page of the Daily Mirror.

# Bath Freemasons' Square Meals Project

Bath Freemasons Square Meals Project

In early April, Bath Freemasons decided to reopen their kitchen for the preparation and supply of ready meals for distribution daily to vulnerable citizens in Bath, free of charge at the point of delivery.

Through contacts within the B&NES local authority social care dept, partnerships were formed with local charities who were already providing food parcel services, and therefore had known potential 'clients' for such a regular meal service. By distributing through these existing channels, the meals were targeted to those most in need, plus distributed by younger volunteers thus minimising endangering members who would have volunteered but were themselves in shielded categories.

Caterer, Ben Hayward, developed simple menus for meals that are flavoursome, in line with nutritional guidance for the demographic, simple to prepare in the kitchen using inexpensive and readily-available ingredients, and packaged ready for supply to be reheated/microwaved by the recipient. Over 75 individual menu plans have been devised and supplied on a rotational basis, all of which have been approved by the local authority's food standards dept.

Bath Masonic Hall Trust committed the start-up funds to commence the ordering and supply of the raw materials, and maintaining a base level of 250 meals a week for the first few weeks. An appeal was then launched to the membership, who raised further funds through donations from individual members, Lodges and Masonic Orders meeting at Bath Masonic Hall. These were match-funded by two national Masonic Charities - The Mark Benevolent Fund (MBF) and the Masonic Charitable Foundation (MCF). Altogether, £40,000 has been raised to finance this project. This enabled production to be raised to over 600 meals a week and since April, the project has delivered more than 14,000 meals in Bath, plus outlying areas. The breakdown of the funding to date is:

Bath Lodges, Orders and Members: £16,500

MBF £8,500

Bath Masonic Hall Trust: £7,500

MCF £7,500

The partner Charities making deliveries are:

Mercy in Action in Twerton - http://www.mercyinaction.org.uk<sup>2</sup>

Bath City Farm in Whiteway - http://bathcityfarm.org.uk<sup>3</sup>

Sporting Family Change in Midsomer Norton - https://sportingfamilychange.co.uk<sup>4</sup>

The project has now been extended and a further appeal was made in early October to the membership to raise an additional £14,000 to maintain production at 600 meals a week until mid-January. So far £4,000 of this has been received from members, and there are pledges for an additional £3,000.

In addition to the caterer Ben Hayward, who is not a Mason, the project is run by a small team of five, all of whom are Mark members:

## **50 Years a Knight**

Right Eminent Knight John Stuart HAY, K.C.T. the Past Provincial Prior of Hertfordshire (1991-1998), recently celebrated the highly significant milestone of 50 Years' Service to Knights Templar Freemasonry.

On Friday, 25 September 1970, John was installed as a Knight of the Order in the John F. Cleeves Preceptory, No. 315, meeting at Cheshunt, and has remained an active member ever since. This is in addition to his ongoing active membership of fourteen different Masonic Orders.

Exactly fifty years to the day later, on Friday, 25 September 2020, the Preceptory was due to hold their regular meeting, and arrangements had been made behind the scenes with Great Priory for the presentation of a 50 Year Certificate to be made at that meeting.

Sadly, however, the effects of the ongoing Covid-19 Pandemic meant that it was not possible for the meeting to go ahead as planned. John was delighted, however, to receive a telephone call from the Great Vice-Chancellor, R.E.Kt. Ryan Williams, K.C.T., on the day, congratulating him on reaching this historic milestone.

On Thursday, 15 October, the Provincial Prior, R.E.Kt. Tony Lapsley, accompanied by the Provincial Vice-Chancellor, E.Kt. Alastair White and V.E.Kt David Sharman, Registrar of the John F. Cleeves Preceptory, visited John and his wife Jean at home. The Provincial Prior was delighted to be able to present John with his 50 Year Certificate, along with the hearty congratulations of Great Priory and all of the Knights of the Province of Hertfordshire.

# And the Knights Templar are back to work on Guernsey

On Thursday, 15 October 2020 the Installation Meeting of St George of Guernsey Preceptory, No. 491 (Unattached) heralded the return of Knights Templar Freemasonry on the Island.

The outgoing Preceptor/Prior, Eminent Knight John Woolston, Installed Eminent Knight Robert Grant as his successor.

Nearly 30 attended and dined after as there are currently no restriction for such to take place.

A great evening was had by all, and the Preceptor/Prior and his Officers are looking forward to the year ahead and hoping it can continue to meet and has four candidates lined up for Installation into the Preceptory in 2021.

# Lockdown Through The Lens Photography Competition

Since the beginning of Lockdown, many Freemasons had taken the opportunity to get busy with their cameras. To mark World Photography Day on Wednesday, 19 August, we launched our "Lockdown Through The Lens" photography competition, with three prizes of Amazon gift vouchers up for grabs with £100, £50 & £25 for 1st, 2nd & 3rd place respectively. Plus, the winning picture will be professionally printed, framed and hung in Mark Masons' Hall.

All that was required was to submit a picture, taken since Lockdown was announced, which captures something about the times in which we are currently living.

It could be any subject matter, friends/family reunited, clear skies, abundant wildlife, empty streets. We just needed a title and an explanation as to what represented to the entrant.

Thank you to all who took part. There was an incredible variety of striking and eye catching images to choose from.

Now, the votes have been cast and the results are in. We're pleased to announce the following winners:

## First Place - Hope/Gobaith - John Llewelyn Pritchard

This picture was taken May 1st 2020 in the small village of Penysarn on the Isle of Anglesey. It captures my 2 granddaughters Mali Grace 10 and Casi Lois 6 under a rainbow, which has come to symbols the NHS and all the good work they have done in these challenging times. To me this photo represents Family, love, friendship and hope, which translates as Gobaith in welsh. This was taken on a simple Iphone by my daughter Laura.

## Second Place - The Emptiness - Lenny Emanuel

This photograph depicts the quiet corridors of an university, which is generally so busy on a normal day. This pandemic has brought life to a standstill. The chairs and the columns are a mute witness to the bygone activities. They are awaiting the buzz of students, the conversations, the coffee times!! The trees in the backdrop have seen many people come and go, taking shelter under their majestic branches. They too await the normalcy of life. The serene ambiance is very welcome, but takes its toll on the mind when it extends too long. Let us hope everything bounces back to normal.

### **Third Place - The Reunion - Stewart Flett**

My Wife took this picture when were we finally allowed to have a "bubble" for support. We see our local Grandchildren each week, having them stay over. The reunion was such a joy.
